1. Present, Past & Future — One Framework

English ke kisi bhi major topic ko teen time frames mein samajhna useful hai: **Present**, **Past** aur **Future**. Isi method ko Be Verb aur Have/Has ke saath follow kiya gaya.

Time	Have-family Form	Example
Present	Have / Has	I have a car.
Past	Had	I had a car.
Future	Will Have	I will have a car.

WHY COMPLETE ALL THREE?

Agar Present aur Past clear hai lekin Future clear nahi hai, to future sentence bolte waqt confusion ho sakta hai. Isliye ek hi topic ko teen time frames mein practise karna important hai.

2. Today's Main Topic — Will Have

Jab humein batana ho ki **future mein kisi person ke paas koi object / thing hogi**, tab **will have** ka use karte hain.

DEFINITION

WILL HAVE = Future mein kisi ke paas koi cheez hona

BASIC STRUCTURE

Subject + WILL HAVE + Object

SIMPLE EXAMPLES

I will have a car. — मेरे पास कार होगी।

I will have a house. — मेरे पास घर होगा।

IMPORTANT

Will have सभी subjects के साथ same रहता है—singular और plural दोनों के साथ.

3. Future Possession — Five Basic Sentences

Hindi	English

हमारे पास बड़ा घर होगा।	We will have a big house.
उसके पास अंग्रेजी का ज्ञान होगा।	He will have English knowledge.
उनके पास नए कपड़े होंगे।	They will have new clothes.

YOUR TURN

Sentence banate waqt pehle subject identify karo → future meaning identify karo → **will have** lagao → object complete karo.

5. Infinitive — “करने के लिए”

Ab Future possession ke saath purpose batane ke liye **to + Verb (First Form)** use kiya gaya. Isse sentence thoda longer aur more useful ban jata hai.

INFINITIVE FORMULA

Subject + Will Have + Object + to + Verb (First Form)

SENTENCE BUILDING TRICK

Bada sentence ho to pehle main possession sentence banao, phir **to + verb first form** se purpose add karo.

7. Future Negative — Will Not Have
