PRACTICE

Core idea

Present Continuous is used when an action is happening/continuing in the present.

जब कोई व्यक्ति अभी या वर्तमान समय में कोई काम कर रहा है, तब Present Continuous का use किया जाता है।

I am teaching. • You are learning. • They are speaking English.

1. Present Continuous का Concept

Present = वर्तमान समय

Continuous = काम जारी है / चल रहा है

I am reading. = मैं पढ़ रहा हूँ।

She is singing. = वह गा रही है।

They are learning English. = वे English सीख रहे हैं।

Compare with Present Indefinite

Present Indefinite	Present Continuous
Habit / routine / fact	Action happening now / currently
I go to school.	I am going to school.
She plays cricket.	She is playing cricket.

2. Present Continuous — Main Structure

Positive Structure

Subject + am / is / are + V4 (verb + ing) + Object

Lesson terminology: **V4 = verb का -ing form.**

Subject	Helping Verb	Example
I	am	I am reading.
He / She / It / Singular Name	is	He is going. / She is singing. / Mohan is coming.
We / You / They / Plural	are	We are learning. / You are speaking. / They are playing.

One-line memory

I → AM | He/She/It/Name → IS | We/You/They/Plural → ARE

3. Subject पहचानना

जो व्यक्ति/वस्तु action कर रही है, वही **Subject** है.

I am teaching. → “I” is the subject.

You are learning. → “You” is the subject.

She is singing. → “She” is the subject.

They are coming. → “They” is the subject.

Fast method

Sentence में पूछो: “**कौन काम कर रहा है?**” जो answer मिले, वही subject.

4. Positive Sentences — Step by Step

मैं पढ़ा रहा हूँ.

Subject = I → helping verb = am → teach + ing = teaching

I am teaching.

वह गाना गा रही है.

Subject = she → helping verb = is → sing + ing = singing

She is singing a song.

मैं एक किताब पढ़ रहा हूँ.

Subject = I → am → read + ing

I am reading a book.
