WH-QUESTIONS

Core idea

Past Indefinite is used to talk about a **completed action, past event, or past experience**.

जब हमें बीते हुए समय की किसी घटना, क्रिया या completed action के बारे में बताना हो, तब Past Indefinite का use किया जाता है।

I woke up at 6 o'clock. • I went for a walk. • I took breakfast.

1. Past Indefinite — पहचान

Common Hindi endings in the lesson include forms such as **या / ए / ई / था**, but the more useful approach is to identify whether the action/event belongs to the past.

Examples: गया, देखा, पिया, किया, बुलाया.

Most important skill

Past conversation में completed actions बताने के लिए Past Indefinite बहुत frequently useful है। सबसे पहले यह तय करें कि action **past में completed** है या नहीं।

2. Positive Structure

Structure

Subject + V2 + Object

Positive Past Indefinite में main verb की **second form** आती है।

He went.

वह गया।

I saw him.

मैंने उसे देखा।

We drank water.

हमने पानी पिया।

He bothered me.

उसने मुझे परेशान किया।

Raju called me.

राजू ने मुझे phone किया।

3. V1 → V2 → V3: Why Verb Forms Matter

Past Indefinite depends on V2

अगर verb की second form याद नहीं है, तो Past Indefinite के sentences बनाना मुश्किल होगा। इसलिए common verbs के V1/V2/V3 forms revise करना जरूरी है।

V1	V2	V3	Meaning
bear	bore	borne	सहन करना
go	went	gone	जाना
see	saw	seen	देखना
drink	drank	drunk	पीना
bother	bothered	bothered	परेशान करना
call	called	called	phone करना

I bore it. (Past of bear)

मैंने इसे सहन किया।

5. Past Routine — “My Yesterday's Routine”

Routine in the past

जब कल/पिछले दिन की routine बतानी हो, तो हर completed action को Past Indefinite में express किया जा सकता है.

Hindi flow: मैं सुबह 5 बजे उठा → walk पर गया → नहाया → तैयार हुआ → पूजा की → breakfast किया.

I woke up at 5 o'clock in the morning yesterday.

Then I went for a walk.

After that, I took a bath.

Then I got ready.

After that, I worshipped.

Then I took my breakfast.

Connectors for a past routine

Then • After that • Yesterday • In the morning

Routine के हर action में सही **V2** use करें.

6. Infinitive with Past Indefinite

Purpose pattern

Main past action + to + V1

“करने के लिए” वाले purpose को express करने के लिए source lesson में **to + V1** pattern दिया गया है।

He went to cook food.

वह खाना बनाने के लिए गया।

He called you to return your money.

उसने तुम्हारे पैसे लौटाने के लिए तुम्हें phone किया।

I worked to earn money.

मैंने पैसे कमाने के लिए काम किया।

We donated money to save him.

हमने उसे बचाने के लिए पैसे दान किए।
