LECTURE BLUEPRINT

Perfect Learning Plan → Had → Positive → Negative → Infinitive → Interrogative → Interrogative Negative → WH Questions

Paragraph Translation → 10 Daily-use Verbs → Homework

1. Perfect English Learning Plan

Lecture ki beginning ek practical learning plan se hoti hai. English seekhne ke liye random topic se start karna enough nahi hai; ek systematic routine follow karna zaroori hai.

01 — Start from Zero

Aapko English pehle se aati ho tab bhi basics se start karo.

02 — Daily 1 Hour

Roz ek fixed hour English learning ko do.

03 — Concept

Pehle topic ka concept samjho.

04 — Practice + Vocabulary

Concept ke baad written practice aur vocabulary build karo.

COMPLETE LEARNING PROCESS

Concept → **Written Practice** → **Vocabulary** → **Speaking Practice**

WHY START FROM ZERO?

Sirf tenses ya advanced grammar jaanna enough nahi hai. Sounds, helping verbs, main verbs ke forms aur basic sentence formation clear hona bhi zaroori hai. Lecture mein isi reason se basics ko skip na karne par ज़ोर diya gaya.

2. Daily Speaking Practice

Written practice ke saath **real speaking practice** bhi karni hai. Sirf padhna aur likhna enough nahi; jo seekha hai usko bolna bhi hai.

DAILY ROUTINE

- 1 hour ko planned parts mein divide karo.
- Concept ko samjho.
- Us topic ki written practice karo.
- Daily vocabulary build karo.
- Finally, English bolne ki real practice karo.
