There in the Past — Was / Were

- Past Existence
- There + Was/Were
- Positive & Negative
- Questions
- WH Questions
- Vocabulary + Translation

Lecture Goal: Past में “कुछ था / कुछ थे” और “किसी जगह पर कुछ था/थे” को **There + was/were** से बनाना सीखना।

1. There in the Past — Main Idea

Past में **There** का प्रयोग मुख्य रूप से तब किया गया है जब हमें बताना हो कि **कुछ था / कुछ थे**, या किसी जगह पर कोई चीज मौजूद थी।

Use 1
जब sentence में अलग subject नहीं दिया गया हो और केवल existence बतानी हो.
There was a cow.

Use 2
जब किसी place/container में कुछ था या कुछ थे.
There were fish in the pond.

2. Basic Structure

There + Was / Were + Object

Was / Were object को देखकर तय होगा.

Object	Use	Example
Singular countable	was	There was a cow.
Plural	were	There were some people.
Uncountable	was	There was water.

There was a boy.
लड़का था।

There was a crowd.
भीड़ थी।

There were some people.
कुछ लोग थे।

There was a pen.
पेन था।

There were clothes.
कपड़े थे।

There was water.
पानी था।

3. There + Was/Were + Object + RPS

जब sentence में place या बाकी information भी दी हो, तो pattern होगा:

There + Was / Were + Object + RPS

RPS = Remaining Parts of Sentence

Hindi	English
तालाब में मछलियां थीं।	There were fish in the pond.
घर पर मेहमान थे।	There were guests at home.
दुनिया में 200 देश थे।	There were 200 countries in the world.
कक्षा में 50 विद्यार्थी थे।	There were 50 students in the class.
बगीचे में बहुत सारे फूल थे।	There were many flowers in the garden.

मेरे बैग में एक पेन था।	There was a pen in my bag.
कमरे में दो खिड़कियां थीं।	There were two windows in the room.
कल आकाश में बादल थे।	There were clouds in the sky yesterday.
टेबल पर एक किताब थी।	There was a book on the table.

Sentence-Building Steps: Place पहचानो → Object पहचानो → singular/plural तय करो → was/were लगाओ → RPS जोड़ो → पूरा sentence बोलो.

4. More Positive Practice

Hindi	English
पेन था।	There was a pen.
कपड़े थे।	There were clothes.
आंखें थीं।	There were eyes.

5. Negative Sentences

जब कहना हो कि कोई चीज **नहीं थी / नहीं थीं**, lecture में **no** के साथ यह pattern दिया गया:

There + Was / Were + No + Noun + RPS

Hindi	English
मेरे मोबाइल में बैलेंस नहीं था।	There was no balance in my mobile.
खिड़की पर पर्दे नहीं थे।	There were no curtains on the windows.
रेफ्रिजरेटर में फल नहीं थे।	There were no fruits in the refrigerator.
सड़क पर गाड़ियां नहीं थीं।	There were no vehicles on the road.

Important distinction: “उस दिन मौसम अच्छा नहीं था” को lecture में **There** से नहीं बनाया गया। यहाँ **weather** subject है:
The weather was not good that day.

6. Interrogative Sentences

जब “क्या ... था/थे?” पूछना हो, तो **was/were** को आगे लाते हैं।

Was / Were + There + Object + RPS?

क्या कमरे में कोई था?	Was there anyone in the room?

Remember: Question में भी was/were object के हिसाब से select होगा.

7. Interrogative Negative

Was / Were + There + No + Noun + RPS?

Hindi	English
क्या अस्पताल में डॉक्टर नहीं था?	Was there no doctor in the hospital?
क्या कंप्यूटर में समस्या नहीं थी?	Was there no problem in the computer?

8. WH Questions

जब amount, number, reason, choice आदि पूछना हो, WH word सबसे आगे आता है:

WH + Was / Were + There + Object + RPS?

How much How much money was there in the locker? Amount / uncountable quantity	How many How many books were there in the bag? Number / countable plural
--	--

Hindi	English
तिजोरी में कितना पैसा था?	How much money was there in the locker?

11. Translation Practice — Paragraph

Hindi Paragraph

पिछले वर्ष हमारे शहर में एक सुंदर बगीचा था। उसमें कई ऊंचे पेड़ और रंग-बिरंगे फूल थे। बगीचे के बीच में एक छोटा सा फव्वारा था। बच्चों और आगंतुकों के लिए झूले और बेंचे थीं। हर शाम वहां बहुत से लोग टहलते थे और ताजी हवा का आनंद लेते थे। पेड़ों पर पक्षी मधुर गाते थे। वहां का वातावरण शांत और स्वच्छ था। इसलिए वह खाली समय बिताने के लिए कई परिवारों की पसंदीदा जगह थी।
