

Lecture 16 — Wanted

Past Need / Desire — “चाहिए था”

Wanted Past Form Positive Negative Questions WH Questions

Lecture Goal: “चाहिए था” वाले past sentences को **wanted** से बनाना और फिर उनके negative, interrogative, interrogative-negative तथा WH questions बनाना.

1. What is “Wanted”?

Wanted को lecture में **want का past form** बताया गया है. जब past में किसी चीज़ की आवश्यकता/इच्छा बतानी हो—“चाहिए था”—तब wanted use किया जाता है.

Subject + Wanted + Object

Core Meaning: “मुझे तुम्हारी कार चाहिए थी” → **I wanted your car.**

2. Basic Rule

Positive sentence में subject के बाद **wanted** और उसके बाद object आता है.

Hindi	English
मुझे तुम्हारी कार चाहिए थी।	I wanted your car.
हमें नया घर चाहिए था।	We wanted a new house.
उसे मदद चाहिए थी।	He wanted help.
उन्हें पैसे चाहिए थे।	They wanted money.

Important: Wanted के साथ subject singular हो या plural, positive sentence में **wanted** ही रहता है.

3. Positive Sentence Practice

Hindi	English
उन्हें मदद चाहिए थी।	They wanted help.
हमें पानी चाहिए था।	We wanted water.
राम को दवाई चाहिए थी।	Ram wanted medicine.
रीना को छाता चाहिए था।	Reena wanted an umbrella.
बच्चों को खेलने का समय चाहिए था।	Children wanted time to play.

Pattern breakdown:

Children → subject | wanted → past form | time → object | **to play** → purpose.

4. Negative Sentences

जब कहना हो कि किसी चीज़ की **जरूरत/इच्छा नहीं थी**, तो lecture में **did not** लगाया गया. **Did not** आने के बाद main verb वापस **want (V1)** हो जाता है.

Subject + Did Not + Want + Object

Very Important: did not wanted ❌
did not want ✅

Hindi	English
मुझे मिठाई नहीं चाहिए थी।	I did not want sweets.
उसे किताब नहीं चाहिए थी।	He did not want a book.
राम को नौकरी नहीं चाहिए थी।	Ram did not want a job.
हमें प्रैक्टिस नहीं चाहिए थी।	We did not want practice.
किसान को पानी नहीं चाहिए था।	The farmer did not want water.

5. Interrogative Sentences

Question बनाने के लिए helping verb **did** को आगे रखा जाता है. Main verb फिर **want** रहेगा.

Did + Subject + Want + Object?

Hindi	English

क्या हमें आराम चाहिए था?	Did we want rest?
क्या उस आदमी को मदद चाहिए थी?	Did that man want help?
क्या तुम्हें खाना चाहिए था?	Did you want food?
क्या लड़की को स्कूटी चाहिए थी?	Did the girl want a scooter?

Question Rule: Did आगे आते ही **wanted** → **want**.

6. Interrogative Negative

जब sentence में “क्या” और “नहीं” दोनों हों:

Did + Subject + Not + Want + Object?

Hindi	English
क्या तुम्हें पैसे नहीं चाहिए थे?	Did you not want money?
क्या उसे नया फोन नहीं चाहिए था?	Did he not want a new phone?
क्या उसे चाय नहीं चाहिए थी?	Did he not want tea?
क्या उन्हें मदद नहीं चाहिए थी?	Did they not want help?
क्या उन्हें शांति नहीं चाहिए थी?	Did they not want peace?

Formation: Did → Subject → Not → Want → Object.

7. WH Questions

WH word सबसे आगे आएगा, फिर **did**, फिर subject, फिर **want**.

बच्चों को क्या चाहिए था?	What did the children want?
तुम्हें कौन-सी चीज चाहिए थी?	Which thing did you want?
उसे कौन-सा तोहफा चाहिए था?	Which gift did he want?
